

## Integrity Quiz

Joyce walked to the corner grocery store and bought a candy bar. She paid for the candy bar with a \$5 bill. The cashier handed Joyce her change and Joyce put it into her pocket. When Joyce got home, she realized that the cashier gave her change for a \$10 bill.

Put an **x** beside the answer that demonstrates Joyce has integrity.

- It wasn't her fault that the cashier gave her too much money, so Joyce kept it.
- Joyce did not feel like walking back to the store so she placed the money on her desk and planned to return it later.
- Joyce walked back to the store, explained what happened, and returned the money.
